6 UNITED STATES DISTRICT COURT
7 DISTRICT OF NEVADA

8 * * *

9 JOHN FRANCIS ARPINO, Case No. 3:14-cv-00034-MMD-VPC
10 v. Plaintiff,
11 ISIDRO BACA, et al., ORDER
12 Defendants.
13

14 The Court dismissed this action because petitioner had not exhausted his state-
15 court remedies for all of his grounds for relief. Order (dkt. no. 16). Petitioner has
16 submitted a motion for relief from the judgment (dkt. no. 18). The Court should have
17 been more explicit in the options that it presented to petitioner, and the Court will grant
18 his motion.

19 Ground 1 of the petition (dkt. no. 12) is a claim that petitioner's right to a speedy
20 trial was violated. This claim is exhausted.

21 As the Court has explained in its screening order (dkt. no. 11), the remaining
22 grounds have never been presented to the Nevada Supreme Court in a procedurally
23 correct manner, and they are not exhausted. Petitioner argues that he did what he
24 could, but his appointed counsel and the state district judge blocked him. However,
25 petitioner has never pursued a post-conviction habeas corpus petition pursuant to
26 Chapter 34 of the Nevada Revised Statutes, despite the Nevada Supreme Court telling
27 him that that is the correct procedure to raise his claims. The remaining grounds all are
28 unexhausted.

1 The petition (dkt. no. 12) is mixed, containing both claims exhausted in state
2 court and claims not exhausted in state court, and it is subject to dismissal. See *Rose v.*
3 *Lundy*, 455 U.S. 509, 521-22 (1982); *Szeto v. Rushen*, 709 F.2d 1340, 1341 (9th Cir.
4 1983). Petitioner may voluntarily dismiss the unexhausted grounds 2 through 14 and
5 proceed with the remaining grounds, he may voluntarily dismiss this action without
6 prejudice while he returns to state court to exhaust grounds 2 through 14, or he may
7 move to stay this action while he returns to state court to exhaust grounds 2 through 14.
8 If petitioner chooses the second option, the Court makes no assurances about the
9 timeliness of a subsequently filed federal habeas corpus petition. If petitioner chooses
10 the last option, he must show that he has “good cause for his failure to exhaust, his
11 unexhausted claims are potentially meritorious, and there is no indication that the
12 petitioner engaged in intentionally dilatory litigation tactics.” *Rhines v. Weber*, 544 U.S.
13 269, 278 (2005). The Court makes no statement whether petitioner can satisfy the
14 requirements of a state post-conviction habeas corpus petition.

15 Petitioner has filed a motion pursuant to 28 U.S.C. § 2250 (dkt. no. 19), asking
16 the Court to order the Clerk of the Court to furnish two complete certified copies of the
17 entire record in this action. Petitioner has not given any reason for such a blanket
18 request, and the Court sees none.

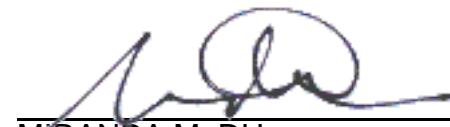

19 It is therefore ordered that petitioner’s motion pursuant to 28 U.S.C. § 2250 (dkt.
20 no. 19) is denied.

21 It is further ordered that petitioner’s motion for relief from the judgment (dkt. no.
22 18) is granted. This action is reinstated. The Clerk of the Court shall send a copy of this
23 order to the Court of Appeals, case number 14-17235.

24 It is further ordered that petitioner shall have thirty (30) days from the date of
25 entry of this order to do one of the following: (1) inform this Court in a sworn declaration
26 that he wishes to dismiss grounds 2 through 14 of his petition (dkt. no. 12), and proceed
27 only on the remaining grounds for relief, (2) inform this Court in a sworn declaration that
28 he wishes to dismiss his petition (dkt. no. 12) to return to state court to exhaust his state

1 remedies with respect to the claims set out in grounds 2 through 14 of his petition (dkt.
2 no. 12), or (3) move to stay this action while he returns to state court to exhaust his
3 state remedies with respect to the claims set out in grounds 2 through 14 of his petition
4 (dkt. no. 12). Failure to comply will result in the dismissal of this action.

5 DATED THIS 3rd day of April 2015.
